MOTORIZED SOLUTIONS FOR **NEW** BLINDS AND SHADES

Life Just Got Easier

Technology has advanced within the last few years in the window treatment industry. The introduction of Motorized Operation provides a more convenient, safe, and stylish way to dress your home. You can choose from 3 different motors, 2 remote control options, and a wall mount control to best suit your needs.

AVAILABLE IN CELLULAR, PLEATED, ROMAN, ROLLER, CASCADE

FAUX WOOD AND REAL WOOD.

MAKES ALL WINDOWS ACCESSIBLE

Motorized is a perfect option for hard to reach windows, and allows you to control the amount of light and privacy with a remote control. No need for any step stools or ladders!

CONVENIENT

When choosing motorized you can control all your windows with the touch of a button, and also program each to open or close to your favorite position. It's never been so easy to operate your blinds and shades.

EASY TO USE

Once your window treatments are installed, you can easily set favorites, group windows, and operate your treatments from your remote control. Enjoy greater comfort as you effortlessly control your blinds with the push of a button.

3 REMOTE CONTROL OPTIONS, giving you the ability to control your blinds and shades anyway you want.

Benefits

Keep the treatment you love.

Solar powered.

Easy setup.

NEW

MOVE™

MOTORIZE YOUR **EXISTING** BLINDS & SHADES

Keep the treatments you love!

MOVE™ offers the ability to easily motorize your existing window treatments. It's a revolutionary product that adds the automation enhancement to the existing window treatments you love, saving you hundreds of dollars, and making operating your window treatments easier!

COMPATIBLE

MORVIEW™ SHUTTERS

Shutters Reimagined

MorView Shutters are not only our newest product, they're reinventing how we view shutters. Designed in California, the MorView Shutters offer never before seen attributes such as a hidden tilt rod providing you an unobstructed view. Customize to your liking by choosing an opening type, louver size, frame type, and cross bar. On top of these innovating features, MorView Shutters pricing is the lowest in the shutter industry and has the fastest turnaround time.

REPLACEABLE LOUVERS

Unlike traditional shutters, our louvers can be easily removed or replaced.

FASTEST TURNAROUND TIME

Made in North America! Ready in one week.

UNOBSTRUCTED VIEW

Hidden tilt rod allows for a clear, unobstructed view. Easy care and maintenance featuring replaceable louvers.

HIDDEN HINGES

Patented design with sleek no-show hinges and hidden tilt bar gives you more view.

ELEGANT

Our Melody Vertical Sheers offer a sophisticated and charming style to compliment any decor. Melody Vertical Sheers can be left alone for a finished look.

CHILD SAFETY

Beautiful contoured tracking system with a wand for child safety, allowing you to effortlessly alternate between closed and open positions.

FUNCTION

Melody Vertical Sheers have the ability to control light and privacy like verticals but with a luxurious style. Another great option for larger windows and doors.

MODERN

New modern alternative for large windows and patio doors. When the vanes are opened, the transparent sheer fabric softly filters the light and preserves your view. When the vanes are closed, they block light to darken the room and enhance privacy.

Benefits

Versatile.

Available in blackout.

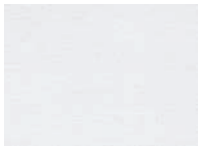

Light control of a blind with the soft elegance of a shade.

SHEER SHADES

13 styles / 50+ colors

Our sheer shades are composed of innovative and revolutionary lines that offer the best of all worlds to our customers! They are designed for multi-functionality; they maintain the look of a shade when closed, but can control light like a blind. The delicate, yet luxurious fabrics, and the multiple varying functions of these shades, makes them one of our most popular products, and a worthy investment.
